# Overview

Ryan J. McDonald concentrates his practice in the area of commercial real estate, with particular emphases in finance, development, and land use. He assists lenders and developer-owners in connection with FHA multifamily transactions, including transfers of physical assets and replacement of project management.

Prior to joining Wooden McLaughlin, McDonald practiced with a small firm in Bloomfield, Indiana, where he litigated contractual and real estate disputes, handled transactional real estate matters, and represented municipalities.

# Professional Activities

He is a member of the Indiana State Bar Association.
