Tax Advice

The tax environment is ever-changing and complex. We endeavor to provide legal advice that is timely and significant to your business. We look for practical solutions to mitigate taxes in complex business transactions. We advise clients with respect to tax aspects of acquisitions and dispositions, financing techniques, partnerships and other joint ventures, and real estate matters. Our services include:

- Choice of entity
- Equity ownership interests
- Executive compensation planning
- Federal, state and local taxation
- Structuring privately-held and family-owned businesses
- Partnerships, LLCs and LLPs
- Mergers and asset sales / acquisitions
- Stock sales and redemptions
- Tax-free exchanges [§1031 exchanges]
- Succession planning
